

“ I USED TO INJECT AND KNEW THAT I MIGHT HAVE HEP C. AFTER PUTTING IT OFF FOR A BIT, I WENT TO GET TESTED. ALL IT TAKES IS A SIMPLE BLOOD TEST. DON'T BE SHAME ABOUT GETTING TESTED. HEP C IS CURABLE, YOU DON'T HAVE TO LIVE WITH IT. ”

THINK YOU MIGHT HAVE HEP C?
ASK YOUR DOCTOR FOR A HEP C TEST

Talk to your Doctor about testing and the new treatments for Hep C, or ring the Hepatitis Infoline 1800 803 990 for more information.
